### **Brief about the workshop**

This workshop is a unique opportunity designed to provide participants with a practical understanding of **Electrical soldering** and **lug wiring techniques**. Organized in collaboration with the **Electrical Students Association (EESA)**, **Electronics and Computer Science Students Association (ECSA)**, and the **Institution Innovation Council (IIC)**, the event focuses on building foundational skills essential for electrical engineering professionals and enthusiasts.

- Gain proficiency in **soldering techniques** used in circuit assembly.
- Learn the correct procedures and best practices for **lug wiring** in electrical connections.
- Understand the safety measures and standards crucial for effective electrical work.

Respected Sir,  
Subject: Regarding permission to conduct workshop.

With respect to above cited subject, department of Electrical Engineering in association with Electrical Students Association (EESA) and Institution Innovation Council (IIC) has planned to conduct workshop on **“Mastering Electrical Soldering and Lug Wiring Techniques: A Hands-on Workshop”** for EE and ECS students. We propose to conduct the workshop in the month of Jan. 2025. Kindly grant your approval to proceed with the necessary arrangements.

This is for your kind information and approval.

Thanking you

Yours faithfully

(Dr. Vireshkumar G. M.)
